

# Romance and Writing

While sitting in the Hollywood Burbank airport after a recent trip to Malibu, I had a moment to reflect on what had just happened. I have learned to trust prophetic words and prayers spoken over me. Lately, those prayers and prophecies have seemed to come true at a rapid pace. For those of you who are familiar with my ministry, you know I have a prophetic word ministry. Back in October, the prayer team at Maranatha Fellowship prayed over me and prophesied things the Spirit was showing them concerning my life. One of the words given me was that on December 31st something would be packed. The word was so specific that I actually wrote on my iPhone calendar on December 31st an event titled: "Something will be packed."

## **AT THE TIME I HAD NO TRIPS PLANNED.**

Fast forward to mid-December. It's five days before Christmas. I walk into work (still no trip planned in the near future). My boss comes up to me, hands me my Christmas bonus, and tells me we are going to be closed through New Year's and that if I was going to take a trip now would be a great time to do so. Of course, all of this caught me completely off guard. Without hesitation I immediately start looking at Southwest flights to Burbank. Within an hour I have my flight, hotel, and rental car booked, all while holding down the fort at work. While booking everything, I was in awe of how quickly God caused the prophetic word delivered back in October to come to pass in an instant.

## **DECEMBER 31ST MY BAGS WERE PACKED, AND I WAS ON AN AIRPLANE HEADED TO LOS ANGELES.**

While I was preparing for the trip on such short notice, God began to send me visions of what was coming. I saw angels already scattered throughout the City of Angels (aka Los Angeles) who were awaiting my arrival. They had already prepared the way for

me. Psalm 91:11 (NASB95) tells us, "For He will give His angels charge concerning you, to guard you in all your ways." Another word given back in November during a time of prophetic prayer was that I would go through three storms in the coming days. Leading up to this trip, I knew by the Spirit I had already gone through two of the storms. However, I knew the third storm was on its way.

A week before leaving I started feeling under the weather. It was the typical sinus and chest congestion that sometimes rears its ugly head around this time of year. As I forged through the week, I took care of as much business as I could leading up to the day of the trip. When it was finally time to travel, I was exhausted and run down. The storm was here. Flying into Burbank the report was stormy weather. For those of you who know much about Los Angeles, it is very rare that it is raining there. It rained the entire trip. Storm #3 indeed.

The good news is I accomplished all that I wanted to accomplish on this last minute Malibu trip. Despite not feeling my best, despite the stormy weather, I still loved every minute of the trip. Most importantly, I was able to buy a couple of gifts for someone very special in my life. I have written about her in the last two newsletters. She is my rose, and she has made me a very happy man since I met her this summer. I made a short video on Zuma Beach and gave her a show and tell of her new gifts. She loved it. She is going to be helping me complete my first film entitled "Ekklesia" in the coming days (another prophecy still being fulfilled for those of you who have read the previous two newsletters).

1 Thessalonians 5:20 (NASB95) says, "Do not despise prophetic utterances."

Holding on to what God has spoken through the Scriptures and through others moved by the Holy Spirit is to be respected and honored in the Church. Not all churches even believe the gift still exists, although Biblically we should all know that it still does! (See 1 Corinthians 14:1-5) Fortunately, I have the blessing of attending a church that frequently teaches and operates in the gift of prophecy, so we have a culture of recording, writing down, and reminding one another of prophecies made over time.

Another word given back in October by Pastor Clint is that he said I had a double portion anointing to complete a task God was going to call me to do - that I would need a double portion in order to fulfill the divine assignment. As I listened to the team pray, I felt in my spirit this double portion anointing was the anointing for the season I am just entering. The double portion anointing is for romance and writing. The romance anointing (or enabling) is for both my personal life and for writing the two main characters who fall in love in my new movie script, and the writing anointing (or enabling) is to write my first ever screenplay (which flows much differently than a book or Word of the Week script) while writing my fifth book "Generations".

### **WE ALL NEED GOD'S ANOINTING TO FULFILL OUR PURPOSE.**

The word anointing means "to rub or smear with oil". It is used in religious ceremonies to consecrate a person or thing to God. Spiritually speaking, the anointing means the enabling to do something God has given a person to do that they couldn't necessarily do before. When God anoints you to do something, He gives you all you need to fulfill that divine purpose. 1 John 2:27 (NIV) tells us, "As for you, the anointing you received from Him remains in you, and you do not need anyone to teach you. But as His anointing teaches you about all things and as that anointing is real, not counterfeit—just as it has taught you, remain in Him."

God has given us the Holy Spirit and His anointing to help navigate us through these trying times. We are not helpless and victims to this world. On the contrary, we are soldiers of Christ in the Spirit. We can be on the offense. Our words and our faith can dictate the direction and fate of the world around us. This is why God has given us a voice to speak. He has given us the gift of prayer that is powerful enough to dismantle and remove giant mountains (Mark 11:23). I take what people pray and prophesy over me seriously. The words they speak set angelic forces into motion. The elemental world is always subject to what the Holy Spirit is saying and doing. What we see with the natural eye is dictated by what is happening in the unseen spiritual realm.

Besides prophesying that my bags would be packed on December 31st, my prayer partners also prophesied that I would also have a new muscle, which is a new gifting, going into 2023. By the Spirit I knew this new gifting is screenwriting. Besides acting, writing and producing movies has always been a desire of my heart. I believe the ministry is headed this direction as the Spirit leads me and the MLM Publishing team. My heart's desire is

that creativity would abound and new doors in mainstream media would open for this media ministry. Reaching hearts all over the world with sight, color, sound, and inspirational words of faith would be a dream come true.

### **GOD IS PAYING ATTENTION TO THE DESIRES OF YOUR HEART.**

The Bible says in Psalm 139:23 (KJV), "Search me, O God, and know my heart: try me, and know my thoughts." The Spirit of God is always at work inside of you whether you realize it or not. His Spirit is always moving, pruning, and creating things that are in the wells of your heart. Many of the desires you have were already planted there by your Father long ago. When you pray, what you pray matters. God is hearing what you are saying. Praying can be one way you discover what the desires of your heart are. Many people don't know what they want because they haven't turned the light on in their soul. They are definitely searching. However, without any light they are only stumbling around in the darkness.

I did not know I had such a strong desire to make a difference in Hollywood until I had an encounter with the Holy Spirit at a powerful worship service years ago. The desire to go to Hollywood was actually discovered while singing praise songs with my college buddies. Brothers and sisters, some of the desires you already possess have not been realized yet. You have to wake those desires up. When you stir yourself up in the Holy Spirit and in the presence of God, you are going to be amazed at what God shows you! I believe right now God is releasing a divine revelation as you are reading this newsletter. The desires of your heart are awakening.

Just as God woke up the romance and writing anointing in my own life, so God is waking up some deep things already dwelling in your heart. Faith is what activates and sets these desires into motion. You don't have to have huge faith. You don't even have to do something dramatic or extreme. All you have to do is believe. Jesus tells us in Matthew 17:20 (NIV), "Truly I tell you, if you have faith as small as a mustard seed, you can say to this mountain, 'Move from here to there,' and it will move. Nothing will be impossible for you." A mustard seed is 1 to 2 millimeters in diameter. It's tiny. God isn't asking for a football field sized faith. He's asking for a millimeter or two. He's asking for something smaller than an ant crawling on the ground.

### **WHEN YOU BELIEVE, ALL THINGS ARE POSSIBLE.**

Believing that I had a soulmate at my age rocked my world less than a year ago. A lot has happened since then. A desire buried deep in my heart, asleep for over a decade, reawakened overnight. My priorities have begun to change since then, as you can imagine. Since then I have begun to recall prayers and prophetic words given to me over the years about my future wife. All of them so far have been very accurate. While nothing has happened the way I thought it would happen, God's promises have yet to fail

me - and they never will. Joshua 21:45 (NLT) says, "Not a single one of all the good promises the LORD had given to the family of Israel was left unfulfilled; everything He had spoken came true."

God is going to fulfill every single promise He has made to me about this season of romance and writing. He has shown me who my Rose is (for more on Rose, read my fall newsletter "Meet Rose"), and I could not be happier with His choice. All He has spoken has and will come true. In the same way, God is going to fulfill every single promise He has made to you. Not one word He has spoken concerning your life is going to fail. If you haven't seen the promise fulfilled yet, that means you have something to look forward to in the coming days.

### **WE ARE IN A SEASON OF GOD FULFILLING SPECIFIC PROMISES CONCERNING YOUR LIFE.**

There are certain promises God has spoken to your heart that I believe are going to be fulfilled this winter. Right now God is speeding up His answers to the prayers of His people. Just as my bags were packed on such short notice, a prophecy fulfilled much faster than I anticipated, so God is setting things in motion and causing things to happen much quicker than normal in your life. My advice: get ready! God is going to surprise you with His goodness. He is turning some things around. He is reminding you of His promises. He is causing things to fall into place as you set your hope and trust on Him.

### **I INVITE YOU AS MY MINISTRY PARTNERS TO JOIN ME IN PRAYING FOR THIS SEASON OF ROMANCE AND WRITING THAT I AM IN.**

# Make a Difference

Donations to MLM Publishing can be made online or by check (mail to: PO Box 6463, Abilene TX 79608). All proceeds from one-time and monthly recurring donations will go towards promoting weekly gospel videos, seasonal newsletters, and ministry purposes. Even small amounts can make a large impact! For example, on average, for about \$2 spent on a lead ad, a person from any part of the country now signs up to receive weekly gospel videos and seasonal newsletters after seeing a “lead ad”. For perspective, just \$10 dollars can change the lives of 5 people, plus whoever they share with, for years to come! Your gift makes an eternal impact!
